General Guidelines

Under the dress code, school staff shall enforce the dress code consistently and in a manner that does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income or body type/size.

Our values are:

All students should be able to dress comfortably for school and engage in the educational environment without fear of or actual unnecessary discipline or body shaming.

All students and staff should understand that they are responsible for managing their own personal "distractions" without regulating individual students' clothing/self-expression.

Student dress code enforcement should not be an uncomfortable burden of dress code enforcement.

Reasons for conflict and inconsistent and/or inequitable discipline should be minimized whenever possible.

Our student dress code is designed to accomplish several goals:

Maintain a safe learning environment in classes where protective or supportive clothing is needed, such as chemistry/biology (eye or body protection), dance (bare feet, tights/leotards), or PE (athletic attire/shoes).

Allow students to wear clothing of their choice that is comfortable.

Allow students to wear clothing that expresses their self-identified gender.

Allow students to wear religious attire without fear of discipline or discrimination.

Prevent students from wearing clothing or accessories with offensive images or language, including profanity,
