A healthy school climate is characterized by positive relationships among students, all campus staff, and the community. School climate is a key factor in several im

Aces Subscale Scores for OCI and Additional Subscales

Achievement Press. This subscale consists of 8 items that describe the extent to which the school has set high but achievable academic standards and goals. Achievement press is marked by students who persist, strive to achieve, and are respected by each other and teachers for their academic successes. In addition, this subscale measures the extent to which parents, teachers, and principals exert pressure for high standards and school improvement.
