

Research indicates that school climate can either be a positive influence on students' learning environment,

The following pages contain more detailed information regarding Covington's student climate results from 2012-2013 to 2014-2015. Please review the individual items with particular attention to how Covington's percentage of students providing favorable responses has changed or remained consistent over time. For items where longitudinal data are available, statistically meaningful changes are noted with up or down arrows. Please share the results of this report with all campus staff and your Campus Advisory Council to inform campus improvement planning.

1. My classmates show respect to each other.	76%	80%	82%	81%
2. My classmates show respect to other students who are different.	72%	75%	78%	79%
3. I am happy with the way my classmates treat me.	85%	82%	87%	87%
