In 2010, the AISD Office of Educator Quality and Department of Research and Evaluation partnered with the New Teacher Center's (NTC) Teaching and Learning Conditions Initiative to develop a survey designed to measure the elements of teaching and learning conditions most critical to school success. The survey is based on NTC's research in 22,000 schools in 18 states. Respondents are asked for their perceptions on a variety of issues related to student achievement and staff retention, including:
