

2016–2017 AISD Parent Survey Report

International High School

Each spring, the Department of Research and Evaluation (DRE) coordinates with the campuses of Austin Independent School District (AISD) to administer the Parent Survey. The 2016–2017 survey asked parents to rate their level of agreement with statements about the following topics: quality of parents' interactions with school staff, adequacy of information provided to parents, adequacy of opportunities provided to students, school climate, community support and engagement, and district decision making.

The survey was available to parents in paper form and electronically. Online versions of the survey were available in English, Spanish, and Vietnamese. In addition to those languages, paper versions of the survey were available in Arabic, Burmese, Korean, Mandarin, Nepali, Pashtu, and Swahili.

This report summarizes the results of the 2016–2017 AISD Parent Survey for International High School. The feedback provided by parents will inform decision making by campus and district leaders as they plan for the 2017–2018 school year.
