

AISD Social and Emotional Learning (SEL) Skills Survey: Results for 2016

88

In partnership with the Collaborative for Academic, Social, and Emotional Learning (CASEL), and as part AISD's participation in CASEL's Collaborating Districts Initiative (CDI), AISD model SEL elementary schoc administering the survey online asked 3rd through 5th grade students to self-assess their SEL skills. I shows the percentage of students who indicated the 20 skills were 'very easy' or 'easy' for them to c

4 8F %) This section of the report describes students' responses to 2016 SEL skills items based on their eth gender. The table below provides the number of students who responded to the SEL skills survey fro student group. Blank cells indicate fewer than 10 students.
