

## TELL AISD Teaching and Learning Conditions Survey: Results for 2011 through 2015 **Menchaca Elementary School**

---

To do their jobs well, educators need supportive school environments where they are valued, are trusted, and can collaborate to improve instruction. The Teaching, Empowering, Leading and Learning (TELL) AISD Survey is a unique opportunity to gather information about school conditions from those whose views matter most—practicing educators. Respondents are asked for their perceptions on a variety of issues related to student achievement and staff retention, including General Climate, Leadership, Managing Student Conduct, Achievement Press, Instructional Practice and Support, Community Support and Engagement, Professional Development, and Facilities and Resources. In 2015, 8,760 AISD campus employees completed the survey.
