C4E878F

In partnership with the Collaborative for Academic, Social, and Emotional Learning (CASEL), and as part of AISD's participation in CASEL's Collaborating Districts Initiative (CDI), AISD middle and high school students participate in a self-assessment of their SEL skills. This report shows the percentage of students who indicated the 20 skills were 'very easy' or 'easy' for them to do. SEL competencies are included in parentheses.
