

TELL AISD Staff Working Conditions Survey: Results for 2011-2013 Rodriguez Elementary School

To do their jobs well, educators need supportive school environments where they are valued, are trusted, and can collaborate to improve instruction. The Teaching, Empowering, Leading and Learning (TELL) AISD Survey is a unique opportunity to gather information about school conditions from those whose views matter most—practicing educators. Respondents are asked for their perceptions on a variety of issues related to student achievement and staff retention, including Overall Climate, Use of Time, Leadership, Facilities and Resources, Student Behavior Management, Community Support, Professional Development, Instructional Practice, and Achievement Press. Participant counts are displayed in Figure 1.
